

EXTERIOR DIY

HOW TO ASSEMBLE A SHED

WHAT YOU'LL NEED

TOOLS:

- Battery or electric drill
- 3.3mm (1/8th inch) drill bit
- Screwdriver
- Riveter
- Tape measure
- Ladder
- Safety goggles
- Non-slip gloves
- Tin snips

MATERIALS:

- Storite shed kit

Caution: Some parts have sharp edges and should be handled very carefully. We recommend the use of protective gloves and footwear when assembling. All dimensions are approximate.
