

PAINTED ICE BLOCK STICKS

This is a fun and easy project for the kids to do using materials that can be found at home.

YOU'LL NEED:

- Ice block sticks
- Paint
- Decorations and glue (optional)

STEPS:

1. All you need to do is paint and get creative!

Here are some creative ideas to get you started :

- Create your family, animal zoo, aliens and fairies!
- What musical instrument could you paint?
- Try using different textures like cotton wool or paper strips for hair or small pebbles for eyes.

All projects should be carried out under competent adult supervision and using appropriate equipment.
