MADE IN CHINA	Supplier: Amalgamated Hardware Merchants L

4 Burner Hooded Black BBQ

Model Number: G11400

Mitre 10 SKU Number 295689

Sold at Mitre 10 MEGA, Mitre 10 and Hammer Hardware stores nationwide
October 2016 to April 2017

What is the Issue?: If the regulator hose connection to the BBQ is not correctly tightened and leak tested before use, in accordance with the instructions, the connection may leak gas.

Hazard: Risk of fire which may cause injury to persons or damage to property.

What to do: Customers should stop using the BBQ immediately and return it to your nearest Mitre 10 MEGA store, Mitre 10 or Hammer Hardware store for a full refund.
