

Product Safety Recall

JOBMATE®

WORKLIGHT LED 65K 18W 1800LM IP44

FLOOD/WORKLIGHT LED 50W 4000LM IP44 2OUT

Model Numbers: L8018 and 8702SMD

Mitre 10 SKU Numbers: 246767 and 246769

Sold at Mitre 10 MEGA, Mitre 10 and Hammer Hardware stores nationwide

June 2016 to August 2017

What is the Issue? The light has a tap-on (piggy-back) plug at its base which may not have the required earth protection.

Hazard: If a Class 1 appliance such as a kettle or a power tool is connected to the plug and independently develops a fault it may not earth properly. This could increase the risk of an electric shock.

What to do: Stop using the light and return it to your nearest Mitre 10 MEGA store, Mitre 10 or Hammer Hardware store for a full refund.

Contact details:

For further information please call 0800 4648 7310 to be connected to your nearest Mitre 10 store, or 09 443 9932 to be connected with Mitre 10 Customer Support.

Alternatively, you can also visit mitre10.co.nz to locate your nearest Mitre 10 store.

Issued: September 2017
