

Product Safety Recall

EASY ACCESS ALUMINIUM AND TIMBER ATTIC STAIRS

Model Number: OX-AAL27 and OX-TAL28

Mitre 10 SKU Number 223296 and 223297

Purchased between June 2013 and August 2017.

What is the Issue? The mounting strips can penetrate between the strips of laminated timber, which could lead them to pulling free under the weight of the user.

Hazard: If the screws give way while you are on the ladder, it may result in a fall.

What to do: Contact Easy Access to organise assistance with the repair work and related costs.
